What makes this workshop different from others?

This workshop goes beyond PMP Exam certification. Its hands-on training prepares you for any project that comes your way. It is equally beneficial for those aspiring for PMP Certification and also for those who intend to apply best project management practices in their work. An audio-video case study will run throughout the workshop. Participants will be able to attempt about 100 questions similar to real PMP Exam and will take with them another 200 similar questions in a CD.

You will experience a real world project from Initiation till closing.
